JUDGE WILLIAM J. BRITTON  
1872—1943

Born in Wolfeboro June 18, 1872. Son of John and Margaret (Macauley) Britton. Graduated from Brewster Academy in the Class of 1892.

Read Law with the late W. D. H. Hill and graduated from Boston University Law School in Class of 1905 when he was admitted to the New Hampshire Bar. He served several terms in the New Hampshire House of Representatives and was elected speaker for the session of 1913.

Served several times as County Solicitor, the first being in 1913, and the last 1943.

He was Judge of Carroll County Probate Court from 1921 to 1942. Chairman State Board of Public Welfare 1938-1941.

He was very active in State Republican circles being Chairman of the State Committee 1938 to 1940. He was elected several times as a Delegate to the Republican National Convention and served three times as a member of the State Constitutional Convention.

He always took an active part in Town affairs, serving as town clerk from 1895 to 1902, town moderator 1921 to 1943, and as town counsel for many years.

His greatest local interest was the Wolfeboro Municipal Electric Department which he served as Commissioner from 1919 until his death in 1943.

He was a Trustee of Brewster Academy and the Huggins Hospital and a leading parishioner of the Congregational Church.

"Will" Britton will be long remembered as a good citizen who contributed much to his Town, County, and State, and one that we could ill afford to lose.

# WARRANT FOR ANNUAL TOWN MEETING, 1944

## STATE OF NEW HAMPSHIRE

[L.S.]

To the inhabitants of the Town of Wolfeboro qualified to vote in Town affairs.

You are hereby notified to meet at Brewster Memorial Hall in said Town on the second Tuesday of March, next, at nine o'clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose a Town Clerk, two Auditors, Treasurer, Collector of Taxes for the ensuing year, one Selectman for three years, one Trustee of Trust Funds for three years, Town Constable and one Water and Sewer Commissioner for three years, one Library Trustee for three years.

ARTICLE 2. To bring in your votes for the Election of Delegates at Large, Alternate Delegates at Large, District Delegates and Alternate District Delegates to the National Conventions of the Democratic and Republican parties, to be held for the purpose of nominating party candidates for President and Vice-President of the United States.

ARTICLE 3. To elect one or more Highway Agents, or instruct the Selectmen to appoint one Highway Agent.

ARTICLE 4. To choose all other Town Officers and Agents.

ARTICLE 5. To see if the Town will authorize the Selectmen to sell any property taken by tax title or otherwise.

ARTICLE 6. To see if the Town will vote to name the so-called Lake Front Park, the Cate Park, and invest \$3,000.00 of the funds left by the late Edward F.

Cate to the Town of Wolfeboro for a public park, in United States War Bonds, the interest from said bonds to be used toward the maintenance of said park. The balance of the funds with accrued interest to be used to retire the debt on the Park and for additional improvements to said Park.

ARTICLE 7. To see if the Town will approve and adopt the recommendations of the Budget Committee and raise and appropriate the various sums contained in the report and listed in the Budget, which include the following special appropriations:

No. 1. For Moth Extermination, Blister Rust and Tree Care,	\$700 00
No. 2. To the Lakes Region Association for the issuance and distribution of printed matter calling attention to the resources and natural advantages of the Town, in cooperation with other towns in the Lakes Region,	340 00
No. 3. For Town Libraries,	1,200 00
No. 4. For the purpose of assistance in Town Gardens,	75 00
No. 5. For the purposes of relief to needy persons and families,	4,095 00
No. 6. For aid to soldiers and their families,	1,000 00
No. 7. For Harry Harriman Post, No. 18, for Memorial Day expenses,	150 00
No. 8. For assistance in maintaining In- formation Booth,	150 00
No. 9. For care and improvement of Town Cemeteries,	125 00

No. 10. For maintenance of Comfort Station at Mount Washington Wharf,	225 00
No. 11. For assistance of Red Cross Nursing Service,	1,500 00
No. 12. For construction and maintenance of sidewalks,	500 00
No. 13. For equipment for the Highway Department,	600 00
No. 14. For drainage on Clark Road and Bay Street,	250 00
No. 15. For the pay of Firemen,	1,440 00
No. 16. To insure Firemen,	356 55
No. 17. To the Parks and Playgrounds Commission,	1,800 00

ARTICLE 8. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay Town expenses in anticipation of taxes.

ARTICLE 9. To see if the Town will vote to rescind the action taken under Article 18 of the Warrant for the Annual Town Meeting held the second Tuesday of March, 1935, and that the Selectmen shall serve as the Budget Committee of the Town.

ARTICLE 10. To see if the Town will vote to rescind the action taken at the Annual Town Meeting held the second Tuesday of March, 1935, authorizing the Town Moderator to appoint the members of the Budget Committee and direct the Selectmen to provide for the election of three members of the Budget Committee in the annual Warrant for the Town Meeting in the year 1945 and for the election of three such members each year thereafter, each member to serve for the term of three years.

ARTICLE 11. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 28th day of February, A. D., 1944.

GEORGE R. BRITTON,  
JOHN C. KIMBALL,  
J. FRANK GOODWIN,

Selectmen of Wolfeboro.

A true copy—Attest:

GEORGE R. BRITTON,  
JOHN C. KIMBALL,  
J. FRANK GOODWIN,

Selectmen of Wolfeboro.

## REPORT OF THE WOLFEBORO BUDGET COMMITTEE

---

To the Legal Voters of the Town of Wolfeboro:

Your Budget Committee submits the following report, and the Budget for the Town of Wolfeboro for the year 1944.

The following items are the recommendations to be acted upon at Town Meeting March 14, 1944.

General Government,	\$6,269 00
Protection of Persons and Property,	5,963 55
Health Department,	2,960 00
Highway Maintenance,	19,121 14
Highway Construction,	400 00
Sidewalks,	500 00
Street Lighting,	1,500 00
Libraries,	1,200 00
Public Welfare,	3,970 00
Memorial Day,	150 00
Aid to Soldiers and Families,	1,000 00
Recreation,	1,800 00
Public Service Enterprises,	2,025 00
Interest,	1,559 00
Payment on Debt,	5,600 00

Total,	\$54,217 69
--------	-------------

In addition to the above we list Payment to the other Governmental Divisions:

County Tax,	\$14,535 81
Precinct Tax,	11,540 69
School District,	38,627 68

Total,	\$118,921 87
--------	--------------

For more complete details see Pages 4-5.

### **Public Hearings**

The Budget Committee held public hearings on January 27th and 28th, 1944, as per advertisement in the Granite State News of January 20th.

### **Town Debt**

During the year 1943 the principal of the Town Debt was reduced \$7,600.00. The Water and Sewer Department retired \$3,000.00 of the Water Bonds and \$3,000.00 of Sewer Bonds. The School Board retired \$4,000.00 of School Bonds and also paid the balance of the Sprinkler Notes. This only leaves \$4,000.00 debt on the Carpenter School which will be retired in 1944. A complete statement of outstanding Bonds and Notes is shown on Page 25.

### **School Budget**

The amount requested by the School Board and approved by the Budget Committee is \$494.32 less than was appropriated last year. This reduction is made possible by the elimination of the sprinkler notes and by a lower amount required for text books and school supplies. The amount spent for high school tuition out of town has dropped 75% largely because of the addition of the commercial and other special courses at Brewster Academy. The School Budget this year includes an advance in teachers' salaries to bring them in line with the average salary for rural teachers in this area.

### **Libraries**

After many years of devoted service to the Town Library, Miss Elizabeth Brewster retired as librarian in 1943. Miss Ellen Lucas, who was assistant librarian, also retired. These two women have not been given the recognition their long service deserves, and they are mentioned in this report that a fuller appreciation may be had of their faithful work.

With the coming of a new librarian, Miss Wilma Paine, the library trustees felt that a readjustment in salary was much needed. In this the Budget Committee heartily concurs, and recommends an increase of \$334.70 to raise the pay of the librarian and her assistants.

### **Water and Sewer Department**

The Department ended the year with a cash balance of \$16,658.48 and with only \$319.45 of uncollected bills of two or more years old, which shows diligent work on the part of the collector. The Commissioners purchased \$6,000.00 of War Bonds, as a reserve for an additional reservoir agreeable to a State law passed by the 1943 Legislature. We highly commend the Department for the splendid financial showing for the year.

### **Highways**

Wolfeboro highways have been kept in good condition in spite of lack of manpower.

The so-called New Durham road was completed during the year by our Highway Agent, with \$3,000.00 less than the State estimate. We now have all of our State road system completed. There will be no town roads built this year owing to the lack of men. Those who are available will be needed for maintenance.

It was impossible to build sidewalks last year, but we hope to build some during 1944 and therefore have recommended an appropriation of \$500.00 for that purpose.

### **Brown Hall**

This building has been used jointly by civilian defense and Red Cross. Civilian defense has been disbanded, but the Red Cross functions still continue. We, therefore, recommend that this building be maintained for the use of the Red Cross and also for group meetings and that \$335.00 be appropriated for its maintenance.

nance and that the management of the building be vested in the Executive Committee of the Wolfeboro Chapter of Red Cross.

In the preparation of the Town Budget the cooperation and help of all the town officials is required. The Committee expresses its gratitude to the Selectmen, Precinct Officers, School Board, Water and Sewer Commissioners and all the other town officials who have assisted in making available all needed information. Mr. George Britton, Abel Haley, Leslie Chamberlain, Roy Mansfield, and Mr. Guy Clark, Superintendent of Schools, have been most helpful to the committee.

It is hoped that the work of the committee this year will serve to give Wolfeboro a low tax rate, with a program of expenditures which will carry on all the needed functions of the town. Every effort has been made to give town employees adequate pay in the face of rising living costs. The committee feels that its task has been well done this year if in the face of rising costs the tax rate may be held in line with last year.

Respectfully submitted,

WOLFEBORO TOWN BUDGET COMMITTEE,

H. H. Hart, Chairman.

Clayton M. Wallace, Clerk.

John D. McHugh, J. Frank Goodwin, H. E. Libbey, Roy W. Foster, W. Howard Willey, A. Cooper Ballantine, Cyrus L. Jenness, John C. Kimball, Jesse Gould.

FRED A. STACKPOLE,

Trustees of Trust Funds.

**REPORT OF THE LIBRARIAN**

To the Board of Trustees of the Wolfeboro Town Library:

Gentlemen:

The report of the librarian for the year ending February 1, 1944, is herewith presented.

In September, when the present librarian assumed the position, the school work began. This is a very pleasant part of the library work. Through the cooperation of the teachers, the students have made use of the library for study and for pleasure.

During the fall and winter months there have been the usual requests for books which have been borrowed from the State library. Many of these requests have come from teachers wishing reference books for use in their classes, from students who are studying in preparation for entering some branch of the service, and from others.

In this library as in others throughout the country, there has been a decrease in the number of books circulated due to the fact that many people are out of town, and many are not reading as in normal times.

There is a great demand for books about the war. Many of these books are non-fiction since at present the books of fiction are few compared to the number of non-fiction. As one journalist remarked, never have newspapermen had such easy and free access to the scene of the news. It is natural that the books written as a result of this first-hand information should be fact rather than fiction. Also as time and relaxation are needed for the writing of fiction, a time of sadness and disaster would not produce so much fiction as in normal times.

In the selection of books for winter reading for the children and young people an effort has been made to choose books of fact and fiction which are of current interest. At this time children are much interested in people and events in other parts of the world. Also there is much interest in aviation and in the other branches of the service. The girls call for books on pottery, cooking, and handcraft.

This year as in the past two years books have been sent from the library to the men in the government camps. People have been very generous with their gifts of these books.

Much information is being sent to the library to aid people in the planting of Victory gardens, in the preparation of wartime meals, and in the gathering of information on many subjects. These pamphlets may be found on the reading table.

The circulation for the year has been 18,626 of these classes: fiction 10,965, non-fiction 3,941, children's books 3,749. One hundred ninety-six new borrowers' cards have been issued.

There have been 413 books added to the combined libraries; of these 83 were contributed. Among the books added were the World Book Encyclopedia and Twentieth Century Authors. These are valuable reference books.

On November 4, 1943, Judge William J. Britton passed away. As a trustee and as a friend Judge Britton was never too busy to give advice and assistance whenever needed.

The librarian thanks those who have given books to the library. She wishes to express to her assistants and to the Trustees appreciation of their cooperation and support. She also wishes to express to her predecessor and her assistant appreciation of their helpfulness.

Respectfully submitted,

WILMA M. PAINE,

Librarian.

Agreeable to Article 5, Chapter 160 of the Public Acts and Joint Resolutions of the Legislature of 1943, we have invested \$6,000.00 in War Bonds for the purpose of erecting a suitable water tank to be located on Brewster Hill.

GORDON E. DURGIN,  
J. ROSCOE CLOW,

Commissioners.

## REPORT OF THE SUPERINTENDENT OF THE WOLFEBORO WATER AND SEWER DEPARTMENT

February 1, 1943, to January 31, 1944

### Water Department

During the past year, due to government restrictions, there has been very little new work done.

On Factory Street our buildings have both been painted as well as other improvements made.

There was only one new hydrant installed which was a replacement at South Wolfeboro. As the sale of hydrants has been released by the War Production Board we are in hopes of having ten new ones this year for replacement.

At Beach Pond, the entrance has been repaired some each year and we are in hopes of having a better road this year for the public to use.

We have tried each year to make a few minor improvements at the Reservoir and are in hopes of having more attractive grounds there in the near future.

We have replaced several of the old service pipes during the past year.

We are very glad to state that in accordance with a law passed January 24, 1944, by the War Production Board, releasing the restrictions on copper tubing that not only will we be able to replace more service but will also be in a position to add more customers.

In regards to bad breaks in the water mains we have had a few which we have taken care of as promptly as possible.

### Sewer Department

In the Sewer Department there has been very little new work during the past year.

The building at the Treatment Plant was painted, as well as the inside of both pumping stations.

Through the cooperation of the State Board of Health we have cut the amount of lime used in the Imhoff Tanks almost 50%.

The Trickling Filter Beds were given one treatment of Caustic not only for sanitary reasons but to prolong the life of the Beds.

Due to conditions beyond our control, one of the small pumps at the Factory Street Pumping Station had to be shipped to the factory to be repaired, but we are fortunate enough now to have one extra pump in stock.

The entire Sewer System has been thoroughly flushed at least once each year.

It might be interesting to know that we have cut the gallonage of surface water being pumped approximately 30%.

We are glad to say that several of the emergency restrictions have been released and the public is cordially invited to inspect the Pumping Station and Treatment Plant at any time.

I wish, at this time, to thank all members of the Water and Sewer Department for their splendid cooperation for the past year.

CHARLES LUCAS,  
Superintendent.

## THE AMERICAN RED CROSS CHAIRMAN'S ANNUAL REPORT

During another war year, all departments of our Chapter have functioned quietly, smoothly and effectively.

In the War Fund Campaign of 1943 we raised over \$5,300.00, sending \$3,300.00 to national headquarters for its work at home and abroad.

Our Home Service Committee gave assistance to 87 in the service, or their families. This involved many miles of travel, personal investigation, friendly counsel, telegrams, cables, and occasionally, financial help. As the Red Cross has accepted financial responsibility for disability-discharged veterans, pending adjustment of their claims, it can readily be seen that the Chapter's need for funds will be greatly multiplied.

The Disaster Committee stands ready in the event of any major catastrophe, and was glad to be able to help in at least one case of local misfortune.

The Nursing Committee was reorganized during the year. We regretted the loss of Mrs. Mildred Jewell, as nurse, but were fortunate in securing Miss Dencie Ward whose report follows later.

With the assistance of the Park and Playgrounds Committee, the beach was greatly improved, all poison ivy being destroyed, rocks and debris removed, and new comfort stations installed. The Life Saving and Water Safety Committee underwrote instruction for two of our young people, Miss Beatrice L. Horne and Clifton Rumrill, and both qualified as instructors. With their assistance, 39 completed the water safety courses: beginners, 20; intermediates, 10; junior life-savers, 9. Further improvements contemplated will make our bathing beach more popular than ever next summer.

The First Aid Committee continued its fine work, stressing accident prevention, and cooperated with the Wakefield Branch in installing an Emergency First Aid Station at an important road junction in Sanbornville.

Our Carpenter and Brewster boys and girls, organized as Junior Red Cross, raised \$159.88 on Tag Day, contributing most of it for comfort bags for our soldiers. They also made ash trays, cribbage boards, scrap books, menu cards, etc., for those in hospitals, and sent many Christmas cards to shut-ins. The upper grades in Brewster are at present enjoying a class in home nursing, taught by Mrs. Ethel Dye.

To enumerate all the achievements of the Volunteer Services would be impossible. Theirs has been a magnificent year. We summarize. The Production Committee, 75 workers, has completed 1,084 garments. From October, 1942, to October, 1943, the Surgical Dressings Committee, 211 workers, made and shipped to the various Army depots in the U. S., 176,000 surgical dressings, and up to January 1, 1944, completed 200,000. The Canteen Corps utilized surplus vegetables in canning 200 quarts donated for school lunches, and prepared vegetables for the freezing unit at Huggins Hospital. Coffee, sandwiches and doughnuts were served inductees, leaving from Center Ossipee. Our firemen were cared for at the Holden fire. An attractive, and well-equipped trailer has been completed and used on numerous occasions. The Motor Corps has cooperated in much of this work of the Canteen Committee, has stood by at blackouts, and furnished needed transportation in emergencies. The Nurses' Aides continue to give their invaluable assistance at Huggins Hospital.

The Chapter sustained a great loss in the passing of Dr. Frederick E. Meader, its chairman and friend

for many years. We record our appreciation of his ever-faithful and sacrificial service. He joyed and rejoiced in this work, and we carry on in his spirit.

With 252 of our boys and girls in the armed services, we sincerely trust that we may continue to have the wholehearted support of all our people, particularly in the War Fund Drive, March 1 to 31. Let us make sure that their every need can be supplied. Give generously. "Give more in '44."

JOHN E. MacMARTIN,  
Chairman.

### Financial Report

To the Selectmen of Wolfeboro, N. H.:

I hereby submit a financial statement of Wolfeboro Chapter, American Red Cross, from February 1, 1943, to February 1, 1944.

ALMA C. TRICKEY,

Treasurer.

## REPORT OF THE PUBLIC HEALTH NURSING COMMITTEE FOR THE YEAR 1943

The present Public Health Nursing Committee was appointed in September, 1943, to take over the duties of the former committee, resigned. At the time of appointment the Executive Committee of the local chapter was working to secure a successor to Mrs. Jewell as nurse, a job which the committee took over and completed. In times like these when many school and district nursing positions are having to be left unfilled, we feel particularly fortunate in having been able to secure the services of Miss Dencie Ward, who shows promise of being one of the most interested workers our service has ever had. She continues to serve in the dual capacity of Red Cross and school nurse, with her time about evenly divided between the two. Following is the nurse's annual report of work done in the Red Cross Public Health Nursing field.

I. Maternity Service,	7
II. Morbidity Service:	
Nursing visits,	517
Communicable visits,	112
III. Crippled Children's Service,	124
IV. Health Service:	
Newborn,	23
Infant,	102
Pre-school,	271
Adult,	237
V. Unclassified Service:	
Field visits to cases not home,	14
VI. Social Service,	91
	<hr/>
Total visits,	1,584

## VII. Clinics:

	Sessions	No. Examined
1. Orthopedic,	4	6
2. Mental hygiene,	2	5
3. Tonsils and adenoids,	3	6
4. Tuberculosis,	1	2

Home Nursing class conducted at Melvin Village  
by Mrs. Hensley.

Respectfully submitted,

DOROTHY W. GOULD,

Chairman.

Huggins Hospital

### HEALTH OFFICER'S REPORT

To the Board of Selectmen, Town of Wolfeboro, N. H.:

In general the health of the community has continued at a high level during the past year. The only epidemic of note was that of influenza which statistically swept the rest of the country, particularly in congested districts, at a higher rate than we had in Wolfeboro. It was previously felt that this epidemic, which was anticipated in the regular cycle of the disease, might prove to be severe with high casualties such as that experienced during war time, 1918. However, this year's run of the disease proved to be of a much lighter form than it was in 1918, so that there were very few mortalities. In Wolfeboro itself there were no deaths definitely attributed to influenza or its complications.

A few cases of measles, chicken pox, and mumps were noted during the year but even these seemed to be at a smaller average number than usual and not of a serious nature. Only one scarlet fever patient was reported and this one went on to a prompt cure without any other members of the population becoming so afflicted. Scarlet fever does not seem to be quite the menace that it was in years past perhaps because of earlier diagnosis and isolation, plus the use of the sulfanilamid group of drugs which has a direct curative value.

There were a few meningo-coccus meningitis cases treated at Huggins Hospital. These instances of the disease largely came from the Ossipee and Freedom district and might be attributed to workmen in congested Navy Yards at Portland either contracting the disease or bringing it home. Meningo-coccus meningitis is not so highly dangerous and crippling a disease as is widely thought by the layman. Most of the people confuse it with acute anterior poliomyelitis, otherwise

known as infantile paralysis. Of course, in this latter disease there is no known or isolated germ responsible for the disease, no specific treatment or immunization, and it does frequently result in crippling of muscles or fatality. There was no case of infantile paralysis in the town or treated at Huggins Hospital during the year. Meningo-coccus meningitis, on the other hand, is caused by a definite germ which can be isolated in individual cases to prove the cause of the affliction. In order to contract this disease it is necessary to immediately breathe in droplets of moisture sneezed or coughed out by individuals suffering from the disease or individuals who carry this germ about in their nose and throat without actually being sick from it. This latter group is known as carriers. Theoretically, there is a greater danger from contracting the disease from carriers than there is from those who actually have it. However, it is not as contagious as most of the public thinks. These germs die very quickly on exposure to the air so that an individual, to contract the disease, must immediately breathe in the moisture sneezed or coughed by a contaminated individual and also be susceptible to the disease. Therefore, it is largely a disease of infectious, rather than contagious, nature. Fortunately, it can be treated by drugs of the sulfonamid group which have a specific action on the germs and usually result in a prompt and complete recovery without any disability. The mortality rate has been materially reduced since sulfonamid therapy was discovered. There was but one death from meningo-coccus meningitis in the hospital during the year. This was a case which for several days unfortunately had gone unrecognized and untreated with the sulfonamid drug at some distant town before being brought to the hospital and the individual lived but a short time after admission before any treatment with the sulfonamid drugs could be instituted.

The Huggins Hospital has continued to be of inestimable value and service to Wolfeboro and surrounding communities. During the year Miss Frances Puffer, R. N., superintendent, volunteered and was commissioned in the Army Nursing Corps and was given a leave of absence for the duration. Miss Nettie L. Fisher, R. N., former Assistant Superintendent of Nurses at the Massachusetts General Hospital in Boston, and well known to many Wolfeboro residents, has ably assumed and directed the management of the hospital since last May. The nursing staff, despite depletions in its personnel because of the war, while minimum, has been adequate, thanks to the cheerful, willing, and efficient help and cooperation of Nurses' Aides and other volunteer workers.

The Wolfeboro chapter of the American Red Cross has continued its fine work in the community and its public health nurse has rendered invaluable aid to many needy individuals. Nurses' aid and home nursing courses have been given and plans are at hand for the teaching of a home nursing class to the senior girl students at Brewster Academy during the first part of 1944 under an instructor accredited by the Red Cross.

Routine samples of the milk and water supplies have been furnished the State Laboratory from time to time and good reports therefrom were always obtained.

In spite of depleted manpower because of the war, sanitation and hospital services and general health measures have continued to function efficiently and well. It is to be hoped that such a good record shows that we shall be able to weather the storm for the duration and that the general health will continue at the same high level.

W. J. PAUL DYE, M.D., F.A.C.S.,  
Health Officer.

## MUNICIPAL COURT OF WOLFEBORO

Wolfeboro, New Hampshire

Leaman E. Cunningham

Unexpended balance,	38 83	
	<hr/>	\$1,312 76

## REPORT OF PARKS AND PLAYGROUNDS COMMISSION

### Bathing Beach

During the year the beach was enlarged by clearing rocks from one end thus adding considerably to the area. Toilets were installed, a life boat was purchased and the entrance to the beach was improved by widening and killing poison ivy. There is a demand for bath houses which must be met to serve the needs of our many visitors and citizens. The commission therefore recommends that a sum of five hundred dollars be appropriated to build two bath houses.

During the summer of 1943 three people were rescued from drowning, eighteen were given first aid, twenty-one were given beginner's swimming lessons, nine qualified as Junior Life Savers.

Attendance at the beach was 3,268. The attendants at the beach were Miss Beatrice Horne and Merton Rumrill, who were both sent to the Aquatic School in South Hanson, Massachusetts, for training previous to opening the beach.

### Skating Rink

The skating rink was opened this winter principally for the use of the children. There being no hockey team the sides were not erected, but the ice surface provided met the needs of our young people.

### Parks

The Lake Front Park has become a popular and much appreciated addition to the town and has received much favorable comment. There are still some improvements necessary for beautification which we intend to make this year.

The Commission again recommends that the town adopt this park as the Cate Park, and apply the funds

left the town for a public park by the late Edward F. Cate, as follows:

"Invest \$3,000.00 of the fund which now amount to \$5,773.61 in United States War Bonds, the interest from said bond to be used to help maintain the park. The balance of the fund to be used to retire the outstanding notes and to make further improvements in the park, and that the park be named the Cate Park."

#### PARKS AND PLAYGROUNDS COMMISSION

HAROLD H. HART,  
RALPH G. CARPENTER, 2nd,  
W. F. TUTTLE,  
CHARLES W. ROWSE.

#### AUDITORS' CERTIFICATE

We hereby certify that we have examined the accounts of the Selectmen, Tax Collector, Town Clerk, Town Treasurer, Highway Agent, Town Library Treasurer, Collector of the Water and Sewer Department, Trustees of Trust Funds, Parks and Playgrounds and Cate Entertainment Fund.

We have compared their several accounts, vouchers and bank statements of funds on deposit, and find these accounts in agreement; we believe these reports to be a true account of the conduct of the town business for the year ending January 31, 1944. We suggest that some departments install a voucher-check system as used by the Selectmen for a more orderly arrangement and simplification of their accounts.

CECIL E. CORKUM,  
RALPH S. PARKER,  
Auditors of the Town of Wolfeboro.

## REPORT OF THE FOREST FIRE WARDEN

Discipline calls for personal restraint from following unrestricted natural impulses to do as one pleases with regard to fire; alertness in cautioning others against imprudent and illegal burning and in promptly reporting fires to the local forest fire warden; cooperation in complying with laws, rules and regulations governing the kindling and care of fires, smoking, safety of mechanical units using fire in and near woodlands and assisting the local warden in extinguishing such fires as may occur.

Your town warden is, perhaps, more perplexed and anxious during these war years than ever before because of increased forest fire hazards and diminishing supplies of available manpower. He looks directly to you to aid him. Will you? You can aid him most effectively by always securing the required permit before attempting to burn and by complying fully with permit requirements; by being patient when he advises of departmental restrictions on permit burning or that he deems it unsafe to burn; and by giving him the needed assistance in extinguishing fires when he needs your help. To do so is to meet one real test of citizenship.

The wartime restrictions against the issuing of permits for burning rubbish, brush, etc., have caused considerable inconvenience to many people but they were made with the intent of being a benefit to the majority.

That these restrictions have been a benefit to the citizens of Wolfeboro is shown by the fire record. In 1942 the department was called to extinguish one for-

est fire and in 1943, two fires. There was no expense to the town for any of these fires, in each case the responsible party assuming all costs.

Let's keep this record intact during 1944.

L. P. MANSFIELD,  
Forest Fire Warden.

Town Wharf

# LAKE FRONT PARK

PARK AND WHARVES

Wolfeboro, being a summer resort, has provided a small park with an unexcelled view of Lake Winnepesaukee and the Belknap Mountains for the enjoyment of its citizens and visitors.

There are four piers for public use, and all are invited to make use of these facilities.

---
